No. 11

Dear Parents,

Our updated website is now 'live' and can be viewed in the normal way. It is still a work in progress and changes will be taking place in terms of information carried on various pages and to the photographs featured.

I was fortunate enough, yesterday evening, to be at St Mary's Church Willesden, the parish church of Rev David Clues, our current Chair of Governors, to see and hear our chapel choir take part in a service of Sung Vespers and Benediction. It was a lovely liturgy, held in an ancient church set in the heart of North West London and the boys did the school and themselves very proud. My thanks go to Fr Neil, Mr Still, Mr Ellis, Mr Mooney-Dutton and Miss Berry for giving up their Sunday afternoon and evening to make this occasion possible.

As part of our very varied extra-curricular programme, Mr Brignall will be taking our Prep 7 boys to Bedford School on Thursday to attend the annual Bedford Science Lecture, known for its propensity for bangs, smells and other dramatic and enjoyable features!

A reminder that the school and nursery are on half-term break next week and we return to school on Monday 22nd February. This marks the half-way stage of our academic year with much having been done. We look forward to the 13+ results for our Prep 8 boys and for spring weather and lighter evenings!

String Concert

Don't forget that this event is on Tuesday 9th February at 7pm. There is a lively programme of music for violin, cello and guitar and all are welcome. I haven't heard from any boys who have lessons outside school on this occasion and so I take it that none of them wishes to play. The concert should last about 45 minutes.

MAE

Win, Win, Win

U13 Hockey A, B and C beat St Anthony's.

18 goals and only 2 conceded tell the story of these matches, where our boys demonstrated superior technique to gain their victories. Shohan P and Jordan M scored hat tricks for the C's and Kyran D for the A's. Brijesh P wishes it known that he did not score a goal. (He was kicking back for much of the C's game.) Well done on an afternoon where focus paid off.
