

ESTATES OFFICER (ACCOMMODATED)

JOB DESCRIPTION

Reports to: Facilities Manager

ABOUT JOHN LYON

John Lyon is an academically selective independent day school, based in Harrow-on-the-Hill in North West London. Having educated boys from Harrow and surrounding areas since 1876, John Lyon welcomed its first girls as pupils in September 2021. The School is also moving from being a senior school to an all through 3-18 school with nursery, thanks to a 2021 coming together with Quanton Hall School in central Harrow.

Academic excellence is at the very heart of what pupils who study here seek to achieve. Pupils' academic standards and personal development were both rated the highest possible 'excellent' in our recent school inspection.

John Lyon pupils also gain from their time outside the classroom. The School has a strong reputation for opportunities and success in Music, Art, Drama and Sport. Add to this an exciting Co-Curricular Programme focusing on a sense of community, achievement and wellbeing, a range of more than 100 extra-curricular activities, and pastoral care that is second to none, a John Lyon education is designed to nurture high-achieving and happy children.

The John Lyon School campus is spread across six buildings at the senior school, the Quanton Hall school site, and a 25-acre mixed sporting facility in Harrow-on-the-Hill and is part of John Lyon's Foundation. We have a clear set of values that are vital to our community. These values shape who we are, what we do and how we do it.

THE DEPARTMENT

The School's estate comprises a number of buildings ranging from mid-18th Century to recent constructions. Several of the school buildings are listed and fall within two different conservation areas. Recent developments have taken place to a number of the buildings with over £12m being spent on new build, renovation and refurbishment. Whereas the new and refurbished buildings require careful maintenance and control of the building management systems, upkeep of the other buildings relies on planned maintenance regimes and replacement of long-standing systems and fittings.

The Estates Teams' aim is the delivery of both planned and reactive maintenance, event set ups, H&S requests, planned maintenance, general repairs and property upkeep, working with other estates team members and with minimal disruption to the day to day operation of the School community.

PRINCIPAL RESPONSIBILITIES

- Check H&S and general maintenance work requests on a daily basis on the School's maintenance request software, School Asset Manager.
- As the on-site Estates Officer, to be responsible for out of hours call outs during week nights and weekends for Fire & Intruder alarm systems, School site emergencies, and the first point of contact for Harrow Security
- To be the first responder during times of adverse weather such as keeping pathways and steps clear of snow and ice.
- Undertake any other maintenance or repair duties requested by the COO or Facilities Manager, or by the Deputy Heads of either the Senior School or Prep School.
- Ensure the School's Safeguarding Children requirements are met regarding the security of the campus during term-time, such as managing traffic at drop-off times, securing external gates and carparks once the pupils have arrived.
- Carry out Planned Preventive Maintenance and routine daily, weekly and other periodic checks as required by service and operational requirements and manuals, including periodic readings of the various utility meters located across the school campus.
- Replace or repair faulty or worn parts of school property across the main School campus, liaising with the Estates Supervisor in ordering new parts when necessary.
- Maintain hot and cold water systems across both School sites carrying out minor repair and installation work as required.
- Regularly check, at agreed intervals, the condition and operation of general lighting, emergency lighting, self-closing fire doors, window fasteners, extractors and yard gullies and remedy, or report faults to the Estates Supervisor.
- Carry out basic painting and decorating tasks in classrooms, halls and corridors throughout the School buildings as required.
- Work closely with the Estates Supervisor to ensure compliance with relevant health and safety legislation on Estates matters including COSHH and risk assessments.
- Promote safe working practices and ensure appropriate PPE is worn escalating any risk to the Estates Supervisor.

- Ensure school grounds and buildings are kept secure at night by closing all entrances and windows at the end of each day, and opening each morning, as part of the team's shift pattern.
- Set up classrooms and communal meeting spaces for educational and other uses as directed by the School's timetable.
- Carry out regular inspections on the School minibus fleet ensuring that the vehicles are road worthy, clean and tidy.
- Communicate effectively with School colleagues, and other stakeholders as required, both verbally and in writing, establishing effective working relationships.
- Drive School minibus around the main campus and to the School playing fields, and on other outings for delivery/pick up tasks as required.
- Carry out daily litter picks across the School site and empty waste bins on a regular basis.
- When traversing the School site remain vigilant for both H&S hazards and general maintenance necessities. If these problems cannot be rectified ensure that they are reported to the Estates Supervisor, or in the case of a H&S issue that they are recorded on the School's maintenance software.

It should be noted that a job description is not an exhaustive list of activities, and employees may be asked to carry out other duties commensurate with the grade of the post. The job description may also be amended to take account of changed circumstances, and employees will be consulted if this is necessary.
